I went south. Right now, I've got a flunky's job in a granary. It doesn't pay very much, but it'll keep Debbie and Little Jake and myself going till I learn the language. Once I learn the language, I'll get back in Construction. There's a big project about to begin just east of here. From what I gather, it's a tomb of some kind, and it's supposed to set a new trend. And Sirocco didn't care if Swyley was a misfit, since everyone else in D Company was supposed to be anyway..When he reached the apron of the second stage, he strode across it and began ascending the second.179."The map says so," said the grey man.
