To Irian's eyes he was very strange-looking, having pale reddish skin, long pale hair, and narrow eyes the colour of ice. His speech was also strange, stiff and somehow deformed. "Silence is the answer to everything, and to nothing," he said.. She was silent. I forced myself to look away from her. Inside that other room, the. He said nothing. The Kargish kingship, however, was already being manipulated by the high priests of the Twin Gods. Thoreg's high priest, Intathin, opposing any truce or settlement, challenged Erreth-Akbe to a duel in magic. Since the Kargs did not practice wizardry as the Hardic peoples understood it, Intathin must have inveigled Erreth-Akbe into a place where the Old Powers of the earth would nullify his powers. The Hardic Deed of Erreth-Akbe speaks only of the hero and the high priest "wrestling," until: out the pans. Though she came to destroy Roke, as she had said, he must serve her. He did so willingly. She had walked with him in the forest, tall, awkward, fearless; she had put aside the thorny arms of brambles with her big, careful hand. Her eyes, amber brown like the water of the Thwilburn in shadow, had looked at everything; she had listened; she had been still. He wanted to protect her and knew he could not. He had given her a little warmth when she was cold. He had nothing else to give her. Where she must go she would go. She did not understand danger. She had no wisdom but her innocence, no amour but her anger. Proud and secure in their powers, they had sought to teach others to band together in secret against the war makers and slave takers until they could rise openly against them. Women had always been leaders in the league, said Ember, and women, in the guise of salve sellers and net makers and such, had gone from Roke to other lands around the Inmost Sea, weaving a wide, fine net of resistance. Even now there were strands and knots of that net left. Medra had come on one of those traces first in Anieb's village, and had followed them since. But they had not led him here. Since the raid, Roke Island had isolated itself wholly, sealed itself inside powerful spells of protection woven and rewoven by the wise women of the island, and had no commerce with any other people.
