The gate people say there are more than nine hundred thousand people packed into the smoky recesses of the dome. It's not just hard to believe; it's scary. But computer ticket-totes don't lie. They sailed all that night and all the next day, and toward evening they pulled in to a rocky shore where just a few hundred yards away a mountain rose high and higher into the clear twilight. At the cabin she said, "I'm sorry I was poor company." "But it could be done, right? With the proper shielding so the plants won't be wiped out before they. Swyley shook his head. "Those are decoys. Like I said, they've moved practically all the guys out to the flanks" -he jabbed at the screen with a finger-- "here, here, and here." He silences me with an imperious gesture. "Who do these Sreen think they ore?" "I meant, would you like some now, with me? I've got a six-pack." breathing for a moment. Holding the cord, he turned slowly. Science fiction is a small country which for years has maintained a protective standards-tariff to encourage native manufactures. Many readers are, in fact, unacquainted with the general canon of English literature or the standards of criticism outside our own small field. Add to this the defensiveness so many people feel about high culture and you get the wholesale inflation of reputations James Blish lambaste in The Issue at Hand. Like him, I believe that somebody has to stop handing out stars and kisses: If "great writer" means Charles Dickens or Virginia Woolf (not to mention William Shakespeare), then it does not mean C. S. Lewis or J. R. R. Tolkien, about whom the most generous consensus of mainstream critical opinion is that they are good, interesting, minor authors. And so on. "You." She points at me. "Here." She indicates the rock face. The words are simple commands given to a child. He had been loitering, alone and melancholy, for the better part of an hour, eavesdropping to his right. helping me so much. "Why doesn't he get the mirror himself, instead of asking me?" Now they could make out what the shape of the third would be. "And if." "I certainly would," said Jack. "But tomorrow evening it will not be so easy, for there will be no mist to hide me if I come with you." "Not in my book," I said. "But I can see why it would be in yours. After the King lets fly with his arrow, you guys with all the bread will be the first ones up the ladder." It was not unexpected; Lang had been waiting for it to happen since the night the Burroughs left. But she had not worried about it Now she must decide what to do.
