

SECRET KEEPERS AND WEBER CITY STORIES

I was carrying a long list of rentals, owned by summer people who authorized whiter leasing to pay for the upkeep on their property. They were all over Aventine, from a few apartments down near the shopping square to cabins in the woods and along the shores of both the Lunamere and Heliomere. I explained the choices to Amanda as I handed her into the runabout and unplugged the car from its charger. The Lunamere's main attraction in winter was that it froze over, making sixteen kilometers of ice for skating. The Heliomere was fed by hot springs and, at thirty-five degrees C, was suitable for year-round swimming..incident..proteins and be able to duplicate them. You probably didn't see them on the way in, but you saw the models. They're very light, supercritical, and designed for this atmosphere. Lou said it was like flying a bathtub, but it flew. And it's a skQI, almost an art. Lou practiced for three years on the best simulators we could build and still had to rely on things you can't learn in a simulator. And he barely got us down in one piece. We didn't noise it around, but it was a damn close thing. Lou was young; so was Cantrell. They were both fresh from flying. They flew every day, they had the feel for it. They were tops." She slumped back into her chair. "I haven't flown anything but trainers for eight years." "Now," said Jack, rubbing his wrists, "I can look at myself again and see why I am Prince of the Far Rainbow." Congreve paused, swept his eyes from one side of the room to the other, and raised his hands in resignation. "It seems that as individuals we can only stand by as helpless observers and watch the events that are sweeping us onward collectively. The situation is complicated further by the emergence and rapid economic and military growth of the-Chinese-Japanese Co-Prosperity Sphere, which threatens to confront Moscow with an unassailable power bloc should it come to align with ourselves and the Europeans. More than a few Kremlin analysts must see their least risky gamble as a final resolution with the West now, before such an alliance has time to consolidate. In other words, it would not be untrue to say that the future of the human race has never' been at greater risk than it is at this moment." the lid. He didn't see anything, so he lifted it further.
