Bill, Old Buddy: I hate to bring this up, but J.L. was down this morning to say that there have been no reports on the progress of the Zorphwar project from you people. Please get the necessary input into the computer as quickly as possible so we can start tracking this vital project. I hope that this omission on your part does not mean that schedules are slipping down there..100."Jake," I said..against me. She was tired and stepped out of character for a moment to snap at Mary Lang..substances poisonous to insects and rodents are introduced." I followed in as he continued: "Only women.do us much good. "You know, Larry-you're an all-right guy.".There are more that I haven't mentioned; two films of She, two of The Lost World, innumerable versions of Midsummer Nighfs Dream. And yet more to come: As the science fiction and fantasy films prove to be moneymakers, 5 properties will be dusted off, "modernized," and reproduced. I' can see the piece I'll do for The Best from Fantasy and Science Fiction: 50th Series, sorting out several versions of The Thing, grumbling about the musical remake of 2007: A Space Odyssey, and commenting on the new production of Star Wars, featuring Mark Hamill as Obi-wan Kenobi..image vanished and was replaced by shadows, like the ghost of another image. His eyes caught on something at the end of the couch. He smiled. At the cat? He began unfastening his shirt, fumbling at the buttons in his haste. He slipped off the shirt and tossed it on the back of a chair..When the moon lit the clearing, the hunter returned. He could not wait until the morning. Hinda's fear had become his own. He dared not leave her alone. But he moved quietly as a beast in the dark. He left his dogs behind..I was conscious of the chair shifting under me but did not let it distract me. Fifty years from now our understanding of controlled-fusion processes will probably have eliminated that source of shortages too, but in the meantime shorter sighted political considerations are recreating the climate of tension and rivalry that hinged around the oil issue at the close of the last century. Obviously, South Africa's importance in this context is shaping the current pattern of power maneuvering, and the probable flashpoint for another East-West collision will again be the Iran-Palestine border region, which our strategists expect the Soviets to contest to gain access to the Indian Ocean in preparation for the support of a war of so-called black African liberation against the South." .104. that rotting section of the Boulevard east of the Hollywood Freeway.
